

ALPHA BANK

Press Release

Alpha Bank offers exclusive conditions on deposits

„Alpha Progressive deposit“ is offered to individuals (Bulgarian and foreign citizens) and has growing interest rates depending on the deposit period reaching up to 10% for BGN for a year.

The specificity of the term deposit is that the interest rate is increasing progressively while the accrued interest income is credited monthly to the customer's servicing account, specified by the deposit Holder in the Contract.

The term deposit is with duration of 12 months, including 4 periods with 3 months each. There is no account opening, maintenance and account closure charge.

The minimum amount for opening „Alpha progressive deposit“ is BGN 1000 or EUR 1000. Additional deposits in the progressive term deposit are allowed within the first 3 months.. Withdrawals from the principal are allowed on maturity, at each quarter without penalty

The interest rates for all periods are fixed and do not change for the duration of the deposit.
